Q3 2.0 TDI Currently Viewing 7-Speed S Tronic Transmission Front Wheel Drive Deluxe Auto Air Conditioning Q3 2.0 TDI Quattro Currently Viewing 7-Speed S Tronic Transmission All Wheel Drive Deluxe Auto Air Conditioning Last opinions on the Audi Q3 2015 size: % Bucharest, 12-12-2021 (4★/5) Good car for city and country driving. (Sorted from smallest to largest length. Use any vehicle to compare photos of the interior and boot.) Mercedes-Benz GLA Kia Niro Volvo C40 Peugeot 3008 Toyota Corolla Cross Mercedes-Benz EQ Opel Grandland Audi Q3 Audi Q3 Sportback Renault Austral Alfa Romeo Tonale Renault Arkana Espaço disponível na linha dos ombros Espaço disponível na linha dos braços Espaço disponível em altura Medições em milímetros Medições efetuadas com a viatura sem carga Os valores indicados têm como base os dados das especificações disponíveis referentes à versão específica da viatura. The Audi Q3 is a popular choice thanks to its excellent build quality and upmarket image. Its rivals include the BMW X1, the Range Rover Evoque and the Mercedes GLA - all of which compete in the fiercely contested compact premium SUV sector. It sits somewhere between Audi's smaller hatchbacks and larger SUVs so we've put together this sizes and dimensions guide to help you decide if it'll fit into your life. Our Audi Q3 deals page will make sure you get the cheapest prices and the best service. Audi Q3 exterior dimensions The Q3's exterior dimensions are fairly average for its class. At 4,388mm in length, it's marginally shorter than the 4,417mm Mercedes GLA. Compared to the 4,358mm Ford Focus, you can see how compact this SUV is - you won't have any issues fitting it in a garage. That said, width is worth considering and, in the Q3's case, it's just over two metres wide including the door mirrors. Exterior dimensions Length 4,388mm Width (including door mirrors) 2,019mm Height 1,608mm Wheelbase 2,603mm Audi Q3 interior dimensions The interior looks high quality and feels well screwed together. Thanks to its lofty height, there's tons of headroom in the front but the sloping rear end means taller rear passengers might need to stoop slightly. Despite this, there's more rear legroom than an equivalent Audi A3 making it easier for families. Interior dimensions Front headroom 1,019mm Rear headroom 969mm Front elbowroom 1,474mm Rear elbowroom 1,426mm Audi Q3 boot space There's 420 litres of space with the rear seats up but, should you need to carry bulky loads, fold them down and you get a generous 1,325 litres to play with. It's a disappointment compared to the cavernous BMW X1, though - with the seats up there's over 505 litres of space, and folding them flat will give you an extra 200 litres over the Q3. The higher boot lip compared to an A3 also makes loading heavier items a little harder. Boot space Boot space (seats up) 420 litres Boot space (seats folded) 1,325 litres Audi Q3 turning circle and fuel tank capacity The Audi isn't difficult to drive and the turning circle reflects this - at 11.8 metres, it's almost identical to the Mercedes GLA and smaller than the outgoing Volkswagen Tiguan's 12 metres. Whichever engine you opt for, you'll get a sizeable 64-litre fuel tank. Turning circle and fuel tank Turning circle 11.8 metres Fuel tank 64 litres Audi Q3 weight and towing limits The lightest Q3 weighs 1,385kg but liberal ticking of the options list and the addition of a diesel engine takes that up to 1,585kg. Fit a tow bar and the Q3 is a reasonably capable towing vehicle, offering a maximum braked trailer load of 2,000kg. Weights and towing Lightest 1,385kg Heaviest 1,585kg Max braked towing weight 2,000kg Save money on your Audi Q3 If you think this compact yet spacious SUV is for you, our Audi Q3 deals page will save you money direct from Audi-approved dealers across the country. Alternatively, if you're looking for something else, our car chooser will pick out the best cars that meet your needs. The new Audi Q3 is a family SUV with great all-round talents. In the second generation it appears not only visually more self-confident, but offers far greater utility value thanks to abundant space, comprehensive adaptability and many practical details. Combined fuel consumption in l/100 km: 7.6 - 4.7; Combined CO2 emissions in g/km: 174 - 124 (Information on fuel consumption and CO2 emissions as well as efficiency classes in ranges depending on the tires and alloy wheel rims used.)
